Community and Student Engagement Results

Leonard ISD is required to evaluate the district's performance, along with each campus, on community and student engagement. The district is to assign itself a rating for each evaluation factor and overall rating. Leonard ISD creates a local committee that develops criteria for the evaluation.

The district assigns one of four performance ratings - Exemplary, Recognized, Acceptable or Unacceptable - to the district and each campus for overall performance, for each of the following categories:

- Fine arts;
- Wellness and physical education;
- Community and parental involvement;
- 21st Century Workforce Development program;
