Fasten your seat belt!

Your high school years will be a great adventure.....

- ❑ Begin with the end in mind! Decisions you make now will affect your opportunities after high school. Choose wisely!!
- ❑ Become a value-added student. Much like a passport shows all the places you've been, your graduation plan will show how much value you've added to yourself as a future college student and/or employee.
- ❑ It's okay to change destinations. Your ticket has no black out dates! If you find yourself headed in one direction but know you would prefer a different route, talk to your parents and counselor.
