At Home Learning – SeeSaw

Log in Instructions
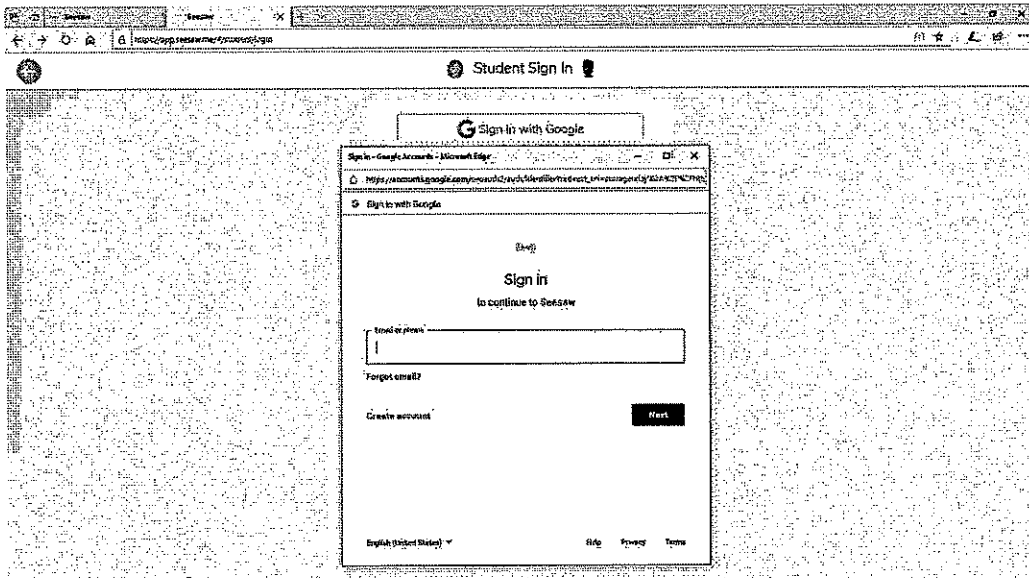

1) Go to https://app.seesaw.me
2) Click "I'm a Student"

3) Sign in with Google
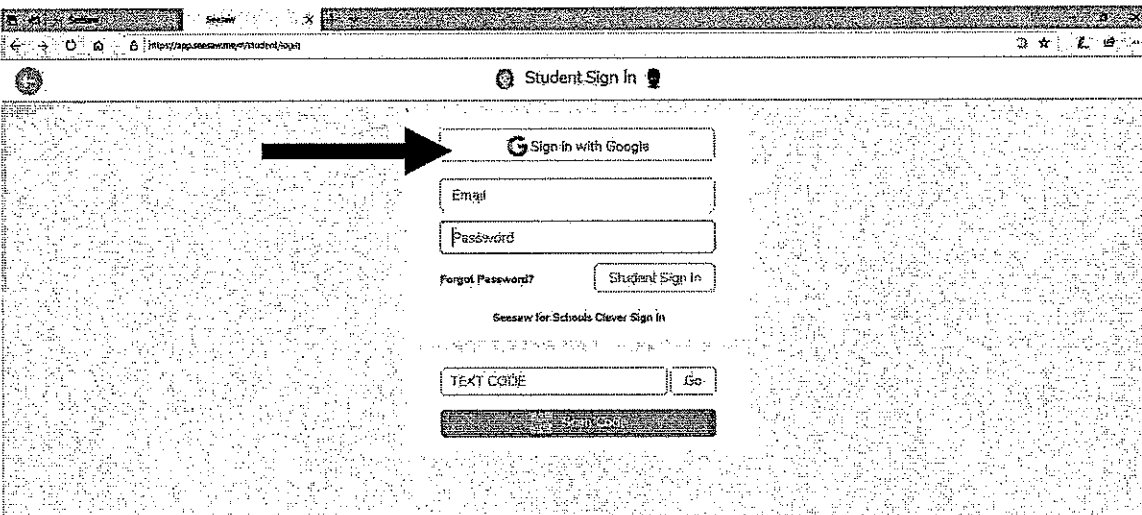

4) It should go straight to the Google log in page like below. However, if you are already logged into a different Google account, you will need to click to click " Use another account" when it pops up. It will then look like the page below.

5) You will use the Log on Username and Log on Password provided on your Login sheet. Be sure to add @leonardisd.net to your log on username. That is your Google school email. To log in to SeeSaw you must put @leonardisd.net after your username.

6) Once logged in, you can click your name at the top left and find your class lists.
